

domestic tray system in vitrified steel for food

the application of white speckles on the dark surface makes cleaning easier
the baking tray is used by placing it on top of the oven grill rack

sistema teglie domestiche in acciaio vetrificato per alimenti

grazie all'applicazione dei puntini bianchi sulla superficie scura la pulizia è resa più facile
la teglia va utilizzata poggiandola sopra al ripiano grigliato del forno

systeme de plats à four domestique en acier vitrifié pour les aliments

l'application de petits points blancs sur la surface sombre facilite le nettoyage.
placez le plat à four sur la grille du four lorsque vous l'utilisez

serie mit Backblechen für den Hausgebrauch aus emailliertem Stahl, für Lebensmittel geeignet

die emaillierten weißen Punkte auf der Oberfläche erleichtern die Reinigung der Backbleche deutlich
das Backblech auf den Grillrost im Backofen stellen

sistema de bandejas caseras de acero vitrificado para alimentos

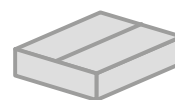

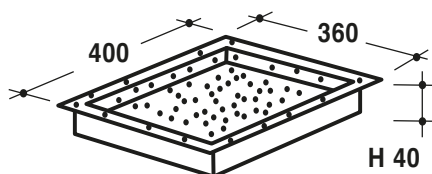

gracias a la aplicación de los pequeños puntos blancos sobre la superficie oscura la limpieza se vuelve más fácil
la bandeja se debe utilizar apoyándola sobre la parrilla del horno
